

## Be a Part of the 2010 Celebration of Trails! Register Your Event Today!

The Celebration of Trails (COT) is an annual autumn festival of trail events that happens in east and central Ontario. In 2009 there were over 50 trail events in 18 Counties and Regions. In 2010 we will be promoting trail events throughout the province. Be part of an exciting initiative to promote healthy active lifestyles and opportunities to explore central Ontario's wonderful trails. Trails are great places for events. Whether you have an existing event on a trail or are planning a new one being part of the Celebration of Trails will **benefit** your event in the following ways:

- More profile, increased participation and support for your event;
- Promotion of your event on our web site;
- Access to trail event planning information, resources, and assistance;
- Part of a network of trail and trail event interests

We hope you will join the Celebration of Trails. To register your trail event complete the attached registration form and send to [trails@kawarthasmallbusiness.com](mailto:trails@kawarthasmallbusiness.com) or fax to 705-328-3684.
